

**Town of Sullivan's Island
Public Safety Committee Meeting
Town Hall, 2056 Middle St.
Monday, July 19, 2021
3:00 – 5:00 p.m.**

1. Call to Order and Confirmation of FOIA Notice
2. Review of currently retained committee items for discussion and possible disposition:
 - a. R-O-W Improvement- the encroachment permit was amended at the request of SCDOT engineers to change from 6" to 8" of rock to 4" to 6" of rock. Likewise, at the request of SCDOT, the permit would be for all of the areas identified but the Town would have the ability to approach the work incrementally as funding allowed.
 - b. Administrator's update and timing to install delineators and ceramic turtles for right-turn only at Jasper and Station 22.5 Street and Station 22.5 Street and Middle Street
 - c. Continue the review and options to remove perpendicular parking on south-side of Middle Street from Station 22 to Station 22.5 to improve traffic flow through the commercial district as recommended by SCDOT. (See Stantec previous proposals)
 - d. Discussion and action to move forward with ground stabilization by Gulf Stream Construction (\$37,879.58) at the west end at Battery Logan for temporary boat trailer storage during Fire Station construction
3. Independence Day, summer traffic and safety report from Chiefs
4. Report on multi-agency working group on beach traffic management
5. Proposed Ordinance authorizing public safety personnel to gain access to vehicles if animals have been left unattended in dangerous conditions.
6. Consideration of more golf cart parking in commercial district
7. Repainting of yellow safety zone/no parking curb
8. Discussion of stronger enforcement of dog licenses
9. Cars and ride-shares blocking emergency beach paths
10. Adjourn
